Scouts should follow the Bike Safety guidelines in the *Guide to Safe Scouting*, when working on the Cycling Merit Badge. Those guidelines include the following statement:

All cyclists must wear a properly sized and fitted helmet approved by either the Snell Memorial Foundation or the American National Standards Institute (ANSI) standards.

The ANSI standards mentioned in the *Guide to Safe Scouting* have apparently been superseded by newer standards. For more information on Bicycle Helmets, we encourage you to look through the information on the web site maintained by the Bicycle Helmet Safety Institute.
